Ref. No.: CEC/Admin/IIC/0131   Date:-18.03.2023

NOTICE

With reference to notification issued by Ministry of Education, Govt. of India, 2nd Edition of YUKTI Innovation Challenge (YIC) 2023 will be organized nationwide. YIC is a nationwide initiative to provide students to platform to present their innovative ideas/models, and attract investors for probable funding. Accordingly, the Institute will organize an IDEATHON 2023 in order to finalize teams for YIC 2023. The selected teams from the competition will get an opportunity to register themselves for the national level YUKTI Innovation Challenge 2023.

Theme of the competition– 'Any innovative idea/model having market potential related to any discipline'. The competition would be judged based on novelty, feasibility, application, and market potential.The detailed instructions are as follows:-

IDEATHON 2023

(Mandatory Pre-qualifier Stage for YUKTI Innovation Challenge 2023)

Guidelines for participation

1. How a student can register?

1) Only Team Leader has to register his/her team for IDEATHON 2023 through Google Form under 'Registration link'.

2) Also give the details of your team in the link under'Team member details submission link'.

3) The team must upload the complete PPT (as per format) in the link given under 'Link for uploading the final PPT before competition as per format' before the competition.

2. TEAM FORMATION :

1) All team members should be from same college; no inter-college teams are allowed. However, members from different branches of the same college/ institute are encouraged to form a team.

2) Each team would **mandatorily comprise of upto6 members including the team leader.**

3) Atleast one female member in each team is desirable. Team having at least one female member would get additional weightage.

4) Team name should be unique and must not contain the name of your institute in any form.

5) Team should present a PPT with not more than 10 slides along with a physical model if any. Presentation of a physical model would definitely carry more weightage.
